We do not have responsibility with content of this book.

Zelie Adebola remembers when the soil of Orisha hummed with magic. Burners ignited flames, Tiders beckoned waves, and Zelic's Reaper mother summoned forth souls.

But everything changed the night magic disappeared. Under the orders of a ruthless king, maji were targeted and killed, leaving Zelie without a mother and her people without hope.

Now, Zelie has one chance to bring back magic and strike against the monarchy. With the help of a rogue princess, Zelie must outwit and outrun the crown prince, who is hell-bent on eradicating magic for good.

Danger lurks in Orisha, where snow leoponaires prowl and vengeful spirits wait in the waters. Yet the greatest danger may be Zelie herself as she struggles to control her powers and her growing feelings for the enemy.
